

CHOOSE YOUR OWN DESTINY
We choose tech built on human agency,
where you can shape your own experiences online.

HANDS OFF MY DATA
We choose tech that protects privacy
in the AI era.

THE FUTURE IS FORKABLE
We choose a future that is open source
and decentralized.

SHOW YOUR WORK, MACHINE
We choose transparent AI,
not black boxes.

MISSION AND MONEY
We choose to measure success differently,
balancing commercial growth and public good.

STOP THE SLOP
We choose a future of meaningful,
creative technology – not algorithmic junk

ACADE

THE

AI

ACADE

FESTIVAL, November 7-9 2025

For nearly 20 years, the Mozilla Manifesto has served as our North Star. Today, these principles are more relevant than ever - our Bill of Rights for the AI era.
